

## Aircraft Builder's Cooperative

In addition to offering free flight training to student pilots, ABC also offers great opportunities for aviators who already have a Sports Pilots License and flight enthusiasts in general. If you share our vision and want to get involved, welcome! ABC's mission is simple: to provide free flight training to our volunteer membership. ABC provides ground school and flight training with a certified flight instructor, access to a training plane, and all the materials and supplies our crews need to acquire their Sport Pilot's License—all for a nominal materials fee and their volunteerism.

### Become a Sponsoring Member!

Community members like you are essential to the success of the Cooperative, and we are very grateful for your support. We invite you to become a Sponsoring Member or make a contribution! By doing so, you'll provide needed funding for an exciting Co-op which is of great benefit to the South Bay community. Help preserve the legacy of flight by joining the Aircraft Builders Cooperative's efforts to provide free flight training to our volunteer Builder/ Pilots.

With your investment gift of \$1,000 - \$10,000, you will become an ABC Member with 2% interest in the co-op- owned Kitfox aircraft of your choice. You'll also find a fun group of fellow flight enthusiasts, and will have a voice in the co-op's decision-making process. In addition...
